THE DENTAL SPECIALISTS.

No More Dread of the Dental Chair

Teeth extracted and filled absolutely
without pain by our late scientific
methods. No sleep producing agents
or cocaine. These are the only dental
parlors in Honolulu that have the patent
appliances and ingredients to ex-
tract, fill and apply gold crowns and
porcelain crowns, undetectable from
natural teeth, and warranted for ten
years, without the least particle of
pain. Gold crowns and teeth without
plates, gold fillings and all other den-
tal work done painlessly and by spe-
cialists.

Gold crowns, \$5; full set teeth, \$5;
bridge work, \$5; gold filling, \$1 up; sil-
ver fillings, 50c.

Any work that should not prove sat-
isfactory will be attended to free of
charge any time within 5 years.

We are making a specialty of gold
crowns and bridge work; the most
beautiful, painless and durable of all
dental work known to the profession.
Our name alone will be a guarantee
that your work will be of the best. We
have a specialist in each department.
Best operators, best gold workmen
and extractors of teeth; in fact all the
staff are inventors of modern den-
tistry. We will tell you in advance ex-
actly what your work will cost by free
examination. Give us a call and you
will find we do exactly as we adver-
tise.

LADIES IN ATTENDANCE.

C. Quinn, a hack-driver, was before
Judge Wilcox yesterday for wearing
his badge in his pocket instead of up-
on his left breast. Having a good rec-
ord as a conscientious hackman, he
was released with a gentle reprimand.

ENDOWMENT BOND.

Do you know that an Endow-
ment Bond in the Provident
Savings Life Insurance Society
combines protection and invest-
ment, and at the end of twenty
years the principal sum would
be paid to you in cash, with ac-
cumulated profits, and in event
of death during the premium
paying term, a cash addition to
the principal sum assured, rep-
resenting a return of from thirty
to ninety per cent of the
total premiums paid would be
included in the amount then
due and payable to your bene-
ficiary? I. R. Burns, Resident
Manager, New Magoon building.

Only a lock of her hair

but
that was enough to attract much at-
tention at the fashionable ballroom. There
were many ladies there, but none so
charming. None so attractive. Her
hair was her beauty. Other dresses
as rich, other faces as pretty, other
dancers as perfect, but no other hair
so becomingly dressed; and the lady
was the center of attraction. It is
always so. Before you go to the ball-
room, opera or party, you better see
